

From Sydney:

Take the '5' out of Sydney heading south towards **Canberra**.

Continue on the '31' Hume Highway.

Drive about 10 minutes **past** the Marulan Truck Weigh Station and Marulan exit.

Stay on the Hume Highway past 2 left hand turns. 1) Bungonia South and 2) Winfarthing Road.

You will see a property on the left called 'Curlewin' with large yellow gates. It is at the bottom of the hill where the large power lines cross the Hume Highway.

Get into the **left hand lane** at the Curlewin property.

Tiyces lane is the next **turn on the left** and is just over the crest of the hill. You may need to get into the hard shoulder as it is a **sharp** turning and it does come up rather quickly.

Continue down the lane for 7.5km. The first 4km are sealed and the final 3.5 is dirt.

If you are coming to the **house or Kangadoo Cottage** – 751 is at the top of the hill, on your left, just after the red woolshed. The small yellow number sign is on the fence by the drive in.

If you are coming to **Kandoo Equine** and if you have a **float or a truck** – drive past the house entrance and take the next left. You will see the stables and round yard there.
